

## 18\_0282 - MUFFLER

PARTS ▶▶▶

© BMW AG

00002765

If you are looking for the grommets for the two lugs on the muffler that attach to the center stand, they have been discontinued. BMW decided to eliminate this part and it is no longer available and is not needed. The factory left it off all oilheads starting in about 2001. You simply leave it off on any oilhead from 1994 on.

#	Part Number	Description	lb	Qty	Each
01	<b>18 12 7 677 858</b>	MUFFLER, CATALYTIC CONVERTER	19.93	1	\$2380.00
